

# FED EX PLANNING DAY

## STEP 1

◇ Create a how question that will drive your planning and product creation.

Examples:

- SCI: How have human choices impacted the environment?
- SS: How has a civilization's culture changed over time and in what way(s)?
- ENG: How have you overcome the barriers of middle school?

My question

---

---

## STEP 2

◇ Determine your end product or presentation.

 PowerPoint      video commercial  
*speech*      puppet show      *skit*      Inspiration      ESSAY  
poster      poem compilation      game      Trifold display

My end product

---

---

## STEP 3

◇ Determine your criteria for success out of 50 points (under any subject).

Criteria	Points
<b>Total</b>	<b>50</b>

**STEP 4**

◇ Gather materials. What will you need?

If a laptop is required, please indicate the amount of time you will need it for.

- \_\_\_\_\_
- \_\_\_\_\_
